Pre-proposal or Essay Guidelines

Please include the text of your essay or preproposal (if applicable) in compliance with scholarship application guidelines. **No application should exceed three pages.**

Pre-proposals must address:

- What is your research problem?
- What is the goal of your research?
- What is already known about your topic?
- Why is your topic important?

Pre-proposals should also ensure that research methods, tools, and techniques are clearly outlined.

Application: Use for pre-proposals and essays only. Text strictly limited to 3-pages; <u>Do not insert links to external documents (they will not be read)</u>
